Metoidioplasty – Informational Question & Answer with Dr. Miro

Miroslav Djordjevic ('Miro') is a surgeon with the Belgrade team with experience performing metoidioplasty in Serbia. The Belgrade team completes ‘meta’ in one stage in a 4-5 hour procedure, ~10-12 day stay in Belgrade. Information regarding the procedure can be found at www.metoidioplasty.com. Some photos & other details are available on www.transster.com. Please email Luke Woodward luke@apiwellness.org to let him know you'll be attending, and/or call Michael Hudson 415-794-1150 with any questions and/or suggestions for Dr. Miro to be prepared to address.
